

MEDIAKIT

For an accessible and intelligent look at the world around us, Science Illustrated has no equal. Published six times a year, each issue is packed with amazing photography, illustration and commentary on a huge range of topics. From Archaeology to Cosmology, from Medical Science to Animal Behaviour, this is the science magazine with everything. Written in a clear, concise, accessible style, Science Illustrated is perfect for young and old readers alike. Launch in Australia in 2009, Science Illustrated is part of an international family of licensees, and commands global reach and respect. Australian Science Illustrated is the only English-language edition of the magazine, and is available worldwide on iPad, or in print in Australia and New Zealand.
